Smith & Loveless Inc. Sponsors July 4 Lenexa Freedom Run

LENEXA (Kan.) – Smith & Loveless Inc. is once-again proud to sponsor the City of Lenexa Freedom Run, a USATF-certified 5k and 10k, and long-standing city-wide event celebrating our country’s independence.

The annual event draws runners and walkers from all over the Kansas City Metropolitan area to race the morning of Independence Day 2025, beginning and culminating in the heart of Lenexa’s historic Old Town district.

As a continuing platinum sponsor of the event, Smith & Loveless will promote its mantra of “Protecting Water, Protecting People™” supplying ice-cold water bottles for the race thirsty participants. Smith & Loveless is one of just a few American-owned water industry companies that completely designs and manufactures all its products in the United States.

The racecourse will lead the 1,000-plus participants by Smith & Loveless’ corporate headquarters and the company’s flagpole, further connecting the common themes of American pride in our freedoms, technological ingenuity and clean water.
